

Blessing of Crib

While verse of Silent Night is being hummed

**Father, you are Lord of Heaven and Earth
You guide the stars; you have made the whole world,
You take care of all your people.
We thank you for all your gifts of love;
Here this evening we thank you in a special way for this crib.
As we place the baby Jesus in the manger
we thank you most of all for the birth of your Son, Jesus.
May almighty God bless this crib, in the name of the Father....**
